Teacher's Dreams

What do teachers want to be instead of being teachers? Mr Hart could have been a famous rugby player, but he became a teacher and his dreams were crushed.

Imagine if Mr Herrick was the world's fastest runner or Mrs Duston was the world's best race car driver! Mr A could have been the best swimmer in the world. Teresa could have been a news reporter.

Miss Halsall could have been a crocodile hunter and Mrs Clem could have been Crocodile Dundee. Mrs Rodger could have been a basketball player and Mrs Campey the best motorbike rider in the world.

What about Miss Ward? She could have been the world's fastest walker. Miss Sloan could

have been movie star, Mrs Fairweather could have been an astronaut and Mrs Forsyth a ballet dancer.

Instead they became the world's best teachers. Mr Hart is a great dodgeball player. Miss Halsall is very artistic and Mrs Campey is another very good, artistic teacher. Mr Herrick has a very good, growly voice and all the other teachers are great in their own way.

Do you have a dream job?

This email contains the following information:

- General information about 105 which could be utilised in your school newsletter
- Collateral which will be brought by our Police school co-ordinators to educate about when to use 105
- Information about what you need to do if your school has a PABX which may need to be changed to enable 105
- Information about a fantastic competition being run by Vodafone to come up with your own 105 song to win prizes for your school

General information for your school newsletter

NZ Police recently launched a new non emergency number, 105. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately.

You can call us on 105 for all non emergencies, or you can go online at 105.police.govt.nz to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.

Collateral

Over the next year our Police School Co-ordinators will be bringing educational collateral supporting the rollout of 105. If you would like this collateral prior to their visit please go to the resources page at 105.police.govt.nz.

Vodafone Competition - Sing your way to win part of a total prize pool of \$13K

As proud technology partners, Vodafone are helping to spread the word about 105.

Check out the New Zealand Police 105 song, then re-create your own version. Get your colleagues involved. Simply film it, then upload to vodafone.co.nz/105 for the chance to win part of a total prize pool of \$13,000 from Vodafone.

Visit 105.police.govt.nz to hear the song or visit vodafone.co.nz/105 find out more about the competition

Private Phone Systems (PABX)

Though Police has worked with NZ Telcos to enable the 105 number to dial out nationally we realise that many schools have their own private phone systems and for some the 105 number may not dial out. Please check that you can dial out 105 and if you can't, please contact your phone service provider to update your dial plan to allow the 105 number to dial out.
