

# Westport South School

## Newsletter

Week 4 Term 3

Principal: Jo Duston  
Deputy Principal: Alex Finnerty  
Phone Number: 789 7132

### Westport South School Walk-4-Books.

During Week 6 of this Term, 27-30 August, all Westport South School students will be participating in a sponsored walk to raise money for the purchase of reading and maths resources for the school. Students will be walking varying distances, depending upon their ages, and we will welcome parent assistance/participation. Sponsorship cards will be sent home, along with an accompanying notice, this Friday. There will also be a notice going home with this newsletter outlining what is happening and help needed.

Public Health Nurse will be in the Library this Thursday from 2.30pm . Please feel free to pop in and discuss any concerns you have.

School Wide Production: 10-11 September the whole school will be holding a school wide school production called Where in the World is Webb Ellis???

Tickets will be on sale from the end of August from the school office. \$5.00 per adult \$3.00 per child. Seats are limited.

### Room 5's Best Buddy Sleepover

Last week Room 5 students had their best buddy's sleep over at school. While the buddy's were sleeping over they got into mischief like using the photocopier, making paper cut-outs and lots of other things. The room 5 students made beds out of boxes for them to sleep in. Mrs Shepherd had to come back at night to read them a bedtime story.

**The first week of September we will be sending home a decile review form. You will have a week to complete it. It is important because it affects the funding the school receives.**

# Welcome to our Writers Unleashed

Willbee the Bumblebee lost his jersey and  
Monica the Monarch came and brought  
his jersey back. His jersey was black and  
yellow.

**OPEN NIGHT**

**Thursday 15 August**

at

33 Derby Street

from

**5.15pm -6.45pm**

**All parents/caregivers, students and families are invited to attend this event**

## **BULLER NORTH POSSUM GROUND CONTROL - POISON WARNING**

Vector Free Marlborough Limited wishes to advise that a ground-based possum control operation will be taking place to keep possum numbers under control to prevent the spread of bovine tuberculosis to livestock. It is important that we keep possum numbers low, as we work towards eradicating TB from New Zealand over the long term. This operation will be conducted as part of OSPRI's TBfree programme.

### **Description of control area**

The Buller North Ground Control Project comprises the farmed area of the Buller District from the Buller River at Westport through to Hector (approx 14,000 ha). The area includes Waimangaroa, Denniston, Granity and Ngakawau.

### **Operation date**

16/08/2019 to 31/10/2019 (approximate)

### **Poisoning methods, poison used and nature of poison**

- Feratox encapsulated cyanide in the form of a capsule, dyed green/blue, presented with feed-paste or similar attractant contained inside a reusable bait station attached to trees and posts.

### **General warning**

The public are reminded of the danger that toxic baits and possum carcasses pose, particularly to children and dogs.

- Follow advice stated on poison warning signs
- Do not touch poison baits, bait stations or traps
- Do not touch poisoned possum carcasses
- Keep children under strict supervision in the control area
- Keep pets under supervision; do not let dogs eat poisoned carcasses

The risks of poison carcasses to dogs may extend downstream of the control area. Game animals should not be taken for eating from within or adjacent to this area until it is declared clear of pesticides.

Warning signs will be erected at all main public entry points and the public are reminded that it is an offence to remove any of these signs. Please follow the instructions stated on the signs.

### **If you suspect poisoning**

- Contact your local hospital, or dial 111
- National Poisons Centre 0800 POISON – 0800 764 766
- In the case of a domestic animal being poisoned, contact a local veterinarian.

### **For further information please contact**

**Vector Free Marlborough Limited**

**Free Phone:** 0508 548 008

**Email:** [communications@vectorfree.co.nz](mailto:communications@vectorfree.co.nz)

OSPRI helps protect and enhance the reputation of New Zealand's primary industries and currently runs the TBfree and National Animal Identification and Tracing (NAIT) programmes.
