### Two important dates to be put in your diaries please.

Thursday 13 August school will finish at 2pm to allow for Maths PD. *This is different from what we originally advertised as the provider has had to change his day.*

Monday 24 August School will be closed all day for Professional Development .

These handsome looking gentlemen presented the school with Rebel Sports vouchers worth \$500. Mr McLellan bought supplies for his electrical business that put him in a draw to win the vouchers for a school. Fortunately for us, he won and nominated us. We are very grateful for this generous sponsorship offered by Phillips to Ideal Electrical Supplies who in turn passed it on to Mr McLellan.

When we have purchased the equipment we will take a photo and show you in the newsletter.

Ms Halsall you are a legend and your transformation of the backboard is amazing. Thank you.

Congratulations to all of our children that took part in the West A Maths yesterday. Our Year 6 team came first, Year 7 seventh, Year 8 1 Third and Y8 2 fourth. Well done to all involved.

**Just a reminder that we have no problem with Parents paying off their account at the school office.**

**Bank account number 03 1354 0404349 00 please make sure that you put your child's name as the reference.**

## **Buller High School Open Night**

**Thursday 20 August 2020**

33 Derby Street

from

**5.15pm -6.45pm**

**All parents/caregivers, students and families are invited to attend this event.**

## **COMMUNITY DENTAL SERVICE**

### **Free Dental Care for Children 2020**

The Community Dental Team will be working at Westport South School at various intervals during each term for 2020. They will be examining children due for their checkups during this visit.

The dental therapist will not only be checking the children's teeth, but may also clean, apply protective treatments (including fluoride) if required and take x-rays at the examination visit.

**Please let us know ASAP if you do not wish your child to have any of this care – you can talk to the dental team in the clinic or phone them.**

If your child requires further dental care such as fillings they will bring home a 'Care Plan' which will explain what dental care is needed. You will be contacted in due course, for an appointment for these treatments to be done at the Westport South School Dental Clinic.

**You will be required to attend these appointments with your child.**

Please contact the Community Services Department if you need further information on the Community Dental Service, to enroll your child, or if you have any specific questions about your child's dental care.

The receptionist will arrange for a therapist to call you back.

## **A collaborative story about Matariki**

Written by the students in Room 14/Hall

In Aotearoa we celebrate the Maori New Year once a year during the month of July. There are lots of different Maori tribes in Aotearoa, they celebrate Matariki in similar and in different ways.

Matariki is passed on through generations to mark the Maori New Year, it is a celebration of the seven stars that appear in the sky during July.

Matariki is the Maori celebration in Aotearoa where the 7 sisters shine in the sky. The Maori people feed the stars by cooking with fire and the steam rises up, it reaches and feeds the seven stars.

Matariki is a time to get together with whanau and friends.

The Maori people come together with friends and Whanau – they reflect on the previous year and set goals for the future year.

The celebration is about reflection, appreciation, Whanua and growth.

Matariki celebrates an old Maori legend about the 7 sister stars.

Matariki is the mother of all the 6 stars. Matariki is the protector of the daughter stars, she takes care of them, helps them and motivates them together.

The six sisters and the mother Matariki, travel around the world and come back around every Maori New Year in July.

Matariki and her daughters travel to visit their grandmother here on Earth, The Matariki stars are in the sky for one month and come back every year at about the same time.

Every year the Stars come around because of where the Earth and universe is positioned in space, this becomes the time to celebrate the Maori New Year.

The stars look after their family here on Earth.

All the stars associate with different parts of nature.

The stars have special meaning for the Earth, but the Mother star – Matariki, she supports, helps and encourages her 6 stars, just like our Mums do here on Earth.

There are stars for the trees, weather, wind, ocean and birds.

Each star helps things on Earth – like the weather, people, water, food.

People celebrate by having people coming together and sharing a big feast.

To celebrate Matariki, people will often hold a Hangi.

Matariki – the main mother star is all about encouragement and family gatherings.

If you wish to see the stars in real life, have a look in the sky before the sun rises every morning during July.

A lot of people believe we should make the Maori New Year a public holiday in Aotearoa.

What do you think?
