Sickness of varying kinds are still sweeping through our families. Even though we are all conscious of the time some of us have had away from school and jobs I urge you to keep your children home until they are well and follow the health guide to reestablishing their physical activities.

[Guidance for returning to activity and sport after having COVID – KidsHealth](#)

Next Tuesday Rms 5,7,9,10 12 will be going to a Matariki Light show at the NBS theatre. Buses have been arranged.

Board of Trustees Elections will take place on 7th September. We will be looking for several new trustees. If this is something you think you might like to do come to our meeting next Wednesday in the staffroom at 5.30 to see what is involved.

Congratulations to all the students that took part in the District Cross Country held in Kumara last Friday you all represented our school outstandingly. Congratulations to Lilly Rossiter who has qualified for the Canterbury Cross Country in Christchurch. Lilly was place 45th out of 180. Well done Lilly.

Winter sports are taking place at the weekends and during the week at night. Thankyou to those parents who have volunteered to coach and manage the teams. You will all be needing your winter woollies to support your children this year.

I am seeing far too many children at school in the incorrect uniform. Our uniform can be very cheap as you are not obliged to have the expensive monogrammed articles that are required by other schools although these are available if you want them. Kmart, Postie and The Warehouse all have cheaper versions of the navy bottoms, navy jersey's and shirts. If your child is a year 8 we have always said they are welcome to wear a high school jersey if you need to purchase something round this time of the year. Puffer jackets even if they are navy are not a substitute for a warm jersey.

PUANGA MATARIKI WINTER FESTIVAL SCHUDULE
