Success statements

Our people:

Improve teacher capabilities

The school will provide Professional Development in culturally responsive practice and the local curriculum.

The school will engage in an effective professional growth cycle.

A local curriculum that reflects our aspirations and allows for individual potential to be met.

Develop culturally sustaining policies that allow staff to reflect with the emphasis on improvement.

Our learners:

NELP 1, 2 & 3

Live by the HEART values

Students will be directly instructed on the HEART values.

Develop Tier 2 structures for PB4L.

Students will participate in preventative bullying programmes.

Students are present, participating and progressing.

Improved attendance and engagement for all students.

An environment of care and learning.

Our place:

NELP 1 & 2

Support a safe inclusive and nurturing environment

NELP 1, 2, 3 & 4

Upgrade our property and spaces to meet the needs of our students and be fit for the future.

 Stronger and more effective engagement with whānau.

Engage proactively with external agencies.

Students will have spaces they can explore, connect with and will provide inspiration for tomorrow's learners.

Whānau feel engaged and empowered to offer contributions that are valued.

Clear communication with our community to enhance learning.

At Westport South School, we are committed to working closely with local iwi and whānau to give effect to Te Tiriti o Waitangi across all school strategic goals, governance and operational decisions.
